

## May 2014

Greetings!,

It is May and our favorite time of year is almost upon us!

We are getting closer and closer to summer, which means closer and closer to the beginning of camp season, so our countdown begins NOW. As of today, we are just about a month away from our first camp on June 7th. So far, we have over 3700 campers signed up for our 60 different sessions this summer which means we've grown by more than 30% since last summer. WOW!

The following camp sessions still have room, so if you know anyone who would benefit from our services, please send them our way.

- BYU-Idaho
- Case Western Reserve University
- Central PA
- Columbia University
- Johns Hopkins University
- Miami
- Rice University
- University of Richmond
- Saint Louis University
- Stony Brook University
- Syracuse University
