

Taken in Carlisle, England, as the #Dads4Kesem began their 84+ mile journey across Northern England earlier this month.

July 2016

Dear Friends,

As we head into August, we are proud to have completed **32** magical week-long sessions of Camp Kesem - providing fun and a lasting impact on the lives of over **2,100** wonderful children.

And in the coming weeks we will be providing over **4,000** more children with their own Camp Kesem experience, as our incredible college student leaders run another **59** weeks of camp! It's a very busy month ahead!

By the conclusion of this summer, **6,000+** children will have experienced the magic of Kesem - as well as the life-long community that follows.

We couldn't do any of this without your continued support. Thank you for all that you do to help us spread the Camp Kesem mission.

And speaking of thank you's - I would like to thank an inspiring group of ten men - all dads and collectively known as [Dads4Kesem](#) - who recently walked an epic 84+ mile journey across Northern England following the footprint of Hadrian's Wall. Their mission was to raise awareness for our cause as well as the funds needed to open a new Camp Kesem chapter at the University of Maryland in honor of their friend, Oren Miller, who lost his battle with cancer last year.

And boy did they accomplish their goal! **An incredible \$42,000+ was raised by these men** - more than enough to fund their new chapter. I hope you'll read their full story [here](#).

We are forever humbled by their passion and love - and cannot wait to welcome them to our new camp in Maryland in the future where they will see the lasting legacy of their journey, sore muscles and - from what I hear - an abundance of blisters!

And if you'd like to enjoy some other daily "gifts" from Camp Kesem, remember to regularly check our [Facebook page](#) throughout the rest of summer for more photos of the joy and magic happening at our camps from coast-to-coast! Here's just a few of my favorites:
